

ARIA EVO X CENTER

Product sheet

MADE IN
FRANCE

The Aria Evo X Center is a 2-way centre speaker. It blends in seamlessly with the floorstanding speakers from the same range, for an optimal home cinema configuration. When designing the centre speaker, particular attention was paid to adjusting the timbres to guarantee uniformity and sonic coherence in all configurations. It is recommended for rooms from 215 ft² (20m²), with a listening distance of 10 feet (3 metres).

Aria Evo X Center Moss Green High Gloss
